Title: Using Funnel Plots in Public Health Surveillance

Version: 2 Date: 15 August 2011

Reviewer: Lawrence Barker

Reviewer’s report:

Major compulsory revisions: none

Minor essential revisions: On page 13, the work 'giggled' is probably a typo. The sentence makes no sense as it. However, if 'giggled' is changed to 'jiggled', then the sentence is clear and fits the text. I think that is what was meant,

Discressionary revisions: none

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
